

District Insurance Information Page - Risk Management for Rotary Clubs

Dear All,

As we all appreciate, diligent risk management continues to be the best method to avoid claims and ultimately, fluctuations in insurance premiums that Rotarians fund.

It has been decided by the National Insurance Committee and the respective insurers that the attached Risk Management forms will assist in the safe management of our respective activities.

Rotary has done some excellent work over the past few years in the area of risk management and it is important to maintain the momentum. Hopefully these documents will assist.

The documents are:

[Rotary Risk Management Checklist](#)

This is a quick reference guide for Clubs to use as an aid to ensuring best risk management practice for activities undertaken on a day to day basis. I would encourage Clubs to use this as a matter of course, it is a handy tick card that helps identify and treat every day risk.

[Risk Management Form](#)

Should be completed in instances where the Club requires guidance from the District Insurance Officer or Aon as to whether a certain event or activity would be covered under the Rotary insurance programme.

If you are unsure whether a certain event or activity would be covered under the Rotary insurance programme please complete and return these documents to Peter Marer (District Insurance Officer) who, if necessary, will forward the documents on to Aon for discussion with insurers.

[Insurance Certificates](#)

If you require a Certificate to provide to a venue owner (Shopping Centre/Hall etc.) this can be obtained by contacting the Insurance Brokers for Rotary AON.

The contact at AON is Dominic Cannon.

Please raise all Rotary Insurance program questions with Dominic on:

eMail: dominic.cannon@aon.com

Phone: (07) 3223 7467

[Advice from AON re Market Liability](#)

As we all appreciate, claims have a detrimental effect on your loss history and, ultimately, our premiums. It is vital; therefore, that Clubs maintain their vigilant approach to ensuring that all market stall operators provide proof of having their own Public & Products Liability covers. Clubs should continue to make sure that stall holders have their own cover for a minimum of \$5,000,000 with a reputable insurance company.

[General Insurance Enquiries](#)

If you have a general insurance enquiry that this web site does not address; the District Insurance Officer PP Peter Marer: insurance@rotary9630.org, work 07 3404 5707 or mobile 0412 913837 Postal - 29 Cleveland Terrace, Ormiston Q 4160.
