District Governor 2017/18 – Elwyn Hodges

July 2017

ROTARY DISTRICT 9630 DROUGHT DISASTER RELIEF CAMPAIGN

A Drought Disaster Relief Campaign has been instigated in District 9630 with a goal of \$1Million to assist our farmers and communities in the drought areas of south-west Queensland including Quilpie, Cunnamulla, Dalby, St. George, Roma, Mitchell and Charleville.

We have already raised close to \$865,000 as clubs and individuals continue to support this needy cause - we thank them most sincerely.

Any financial donations, large or small, may be forwarded to the Drought Committee Treasurer Tim Davis marked “*Drought Relief*” for distribution to the western communities who still desperately need our assistance.

Arrangements will be made in the western towns for food, fuel and fodder vouchers to be handed out to people in need in the local communities.
