

TERMS AND CONDITIONS OF VOLUNTEER SERVICE GRANT AWARD

YOU MUST AGREE TO THE FOLLOWING TRF REQUIREMENTS PRIOR TO IMPLEMENTING YOUR VOLUNTEER SERVICE GRANT AWARD.

I. Volunteer Service Grant Criteria

Volunteer Service Grants support the travel and participation of qualified Rotarians and spouses of Rotarians planning or implementing international service projects.

- A. Recipients of Volunteer Service Grants must comply with TRF policies regarding travel insurance.
- B. Applications should be submitted three months prior to the anticipated departure dates and be approved eight weeks prior to scheduled departure.
- C. Eligibility of traveler(s) is based on the following:
 - 1. There is a defined need within the community for the project, as identified by the host partner.
 - 2. The need can be met by the skills and experiences of the traveler(s).
 - 3. The skills and experiences to meet the community need are not available locally.
- D. Individuals traveling on their own must be active Rotarians. Small teams (up to five people) may include Rotarians and qualified spouses of Rotarians. The team leader must be an active Rotarian and a member of the international club or district sponsoring the grant.
- D. Volunteer Service Grants support the following eligible expenses:
 - 1. Economy class airfare
 - 2. Room and board
 - 3. Ancillary travel expenses
 - 4. Project-related costs, assuming that all travel expenses are less than the grant funds received.

- F. Volunteers must be on site a minimum of five days and a maximum of 60 days (not including travel days). If the volunteer wishes to stay at the project site for more than 60 days, all expenses incurred become the responsibility of the volunteer.
- G. An individual's volunteer efforts cannot be supported with grant funds more than two times per Rotary year. Individuals or teams of qualified individuals may serve through a single grant application.
- H. A single project site may not benefit from more than one grant award at any given time. If necessary, incoming traveler(s) to a project site may overlap with outgoing traveler(s) for three days for the purposes of training.
- I. Travel arrangements through Rotary International Travel Service (RITS) must be made immediately after notification of approval and no less than 45 days before departure. If this is not adhered to, the travel dates will need to be changed or the grant may be subject to cancellation.

II. Volunteer Service Grant Rotarian Involvement

Rotarians from both partner clubs/districts must be actively involved in each Volunteer Service Grant project and are responsible to The Rotary Foundation (TRF) for the conduct of the project and for reporting on it. Rotarian activities in relation to the grant project must be reported to TRF.

- A. Members of the host partner club or district are expected to:

III. Volunteer Service Grant Funding and Payment

The following conditions apply to the release of payment for Volunteer Service Grants:

- A. Payment will not be released until the Rotary International Travel Service (RITS) has notified The Rotary Foundation that travel arrangements have been secured through either ticket purchase or local purchase authorization.
- B. Release of payment is contingent upon receipt of information regarding an appropriate payee for the grant. Please note that:
 - 1. Volunteer Service Grants must be paid to a Rotarian controlled account, preferably, an account established for the project.
 - 2. Volunteer Service Grants will not be paid to a benefiting organization or cooperating organization.
- C. If the airfare is purchased by RITS, TRF will issue a payment in the amount of the grant award less the airfare amount. If RITS authorizes local purchase, TRF will issue payment for the full grant amount.

IV. Stewardship of The Rotary Foundation Funds

Volunteer Service Grant Recipients and Sponsors must:

- A. Treat The Rotary Foundation grant funds as a sacred trust to be constantly safeguarded from loss, misuse, or diversion.
- B. Assure competent and thorough oversight of the project with clear delineation of responsibility.
- C. Use The Rotary Foundation grant funds only for eligible purposes as outlined in TRF established grant criteria.
- D. Conduct all financial transactions and project activity relating to the grant at least at the level of standard business practices and always in consonance with the "Declaration of

Rotarians in Business and Professions” and in the full spirit of “The Four Way Test.” This requires maintaining regular accounts of all transactions, retaining original receipts and invoices for a minimum of three years.

- E. Exercise the highest care to the prevention of even the appearance that The Rotary Foundation grant funds are being used in an improper manner. Such care is expected to go beyond that afforded to the use of private or corporate funds.

V. Reporting Requirements

TRF requires Volunteer Service Grant Recipients to adhere to the following:

 - 4. An evaluation of the performance of the visiting Rotarians.
 - 5. An authorizing signature from the host primary project contact.
- C. Failure to provide acceptable reports on previous grants in a timely manner will result in the sponsors (both international and host where appropriate) not being able to initiate new projects.
- D. Recipients of Volunteer Service Grants must cooperate with TRF audits.
 - 1. The Rotary Foundation reserves the right to conduct an audit of any grant, regardless of size, at any time.
 - 2. In addition, TRF reserves the right to review the project at any time, require the submission of additional documentation, requests funds to be returned, and suspend any or all payments if in its sole discretion progress is not considered to be satisfactory. Failure to provide accurate and timely reports could result in barring from future grants the sponsoring clubs or districts and the individuals who traveled, until TRF receives an acceptable report.

VI. Appropriate Grant Implementation

- A. The use of grant funds from The Rotary Foundation must:

1. Promote active and personal participation of all Rotarians involved in the project.
2. Assist in the development of stronger Rotary networks as clubs from different communities and/or nations work together to implement projects that have been initiated or endorsed by a Rotary club in a project location. Projects which receive TRF support should satisfy the real humanitarian needs of the receiving community.
3. Not involve the establishment of a permanent foundation, trust, or permanent interest-bearing account.
4. Not directly benefit a Rotarian; an employee of a club, district, other Rotary entity, or of Rotary International; or a spouse, lineal descendant (child or grandchild by blood or legal adoption), a spouse of a lineal descendant, or an ancestor (parent or grandparent by blood) of any living Rotarian or Rotary employee.

6. Be consistent with the criteria, procedures, and policies of the Polio Plus program and the World Health Organization for projects involving vaccines and immunizations.
7. The Rotary Foundation will only fund projects that have been reviewed and approved by the Trustees of The Rotary Foundation prior to their initiation.

B. Grant funds cannot be used:

1. For the purchase of land and buildings. If the grant depends upon the construction of a building, the construction must be funded by additional (that is non-matched) club/district funds or funded by a cooperating organization. The Rotary Foundation will not release grant funds until such construction is completed;
2. For activities involving the construction of any structure in which individuals live, work, or engage in any gainful activity (such as buildings, containers, and mobile homes) or structures where individuals carry out any type of activity including manufacturing, processing, maintenance and/or storage. Activities involving construction of infrastructure such as service roads, wells, reservoirs, dams, bridges, latrines, toilet blocks, and water supplies and other similar structures are acceptable;
3. For activities involving the renovation of structures, including the provision of new services or upgrade of utilities (i.e. electrical & plumbing), in which individuals live, work, or engage in any gainful activity (such as buildings, containers, and mobile homes) or structures where individuals carry out any type of activity including manufacturing, processing, maintenance, and/or storage;
4. For salaries, stipends or honorariums for an individual or individuals working for a cooperating organization or beneficiary;

6. For post-secondary education activities, research, or personal or professional development;
7. For excessive support of any one beneficiary, cooperating organization, or project.
8. For unspecified or cash donations to beneficiaries. Grant funds must be used to purchase humanitarian goods;
9. For expenses related to Rotary events such as district conferences or anniversary celebrations;
10. For entertainment activities that do not include a humanitarian aspect;
11. As donations to cooperating or benefiting organizations; and
12. To support purely religious functions at churches and other places of worship.

VIII. Cooperating Organizations

A grant conducted in cooperation with another organization must meet the following conditions:

- B. Both Rotary club/district co-sponsors and the local Rotary clubs or district (where appropriate) must have knowledge of the cooperating organization and provide a letter of endorsement for the organization which states that it is reputable and responsible, and that the organization is registered and acts within the laws of the project country.

X. Rotary Name and Emblem Use Guidelines

The following guidelines on the use of the "Rotary" name and emblem are RI policy. Please follow them when naming your project and in any literature you may develop.

A. Rotary Name

1. The RI Board has determined that any use of the "Rotary" name without a further qualifier, such as the name of a Rotary club or a Rotary district, refers to the international association, RI.
2. New project names or programs not under the exclusive control of RI, when using the name, "Rotary," must include the name of the participating Rotary club(s) or district(s) and should not use the name, "International."
3. If using the words, "Rotary," and "Foundation," these words must not appear together, but must be separated by additional identifying information, such as the name of the participating Rotary club(s) or district(s).
4. Ongoing programs not under the exclusive control of RI and not conforming to these guidelines should be renamed to provide this additional identifying information (i.e. the name of the participating Rotary club(s) or district(s) must be included when using the name "Rotary").
5. The naming of any project or program that does not conform to the guidelines must receive specific RI Board approval.

B. The Rotary Emblem

1. The Rotary Emblem, like the Rotary Name, represents the international association, RI.
2. Whenever the Rotary Emblem is used for a project, program or activity not under the exclusive control of RI, the name of the participating club(s) or district(s) must also be used in addition to the emblem; must appear directly adjacent to the emblem; and be of a size of equal prominence to the emblem.
3. Any reproduction of the Rotary Emblem must meet RI's proper emblem specifications.
4. Camera-ready art can be obtained through your Club and District Administration Supervisor.
5. No alterations, modifications or obstructions of the Rotary Emblem are permitted. The emblem must be faithfully reproduced and always appear in its entirety.
6. The RI Bylaws discourage any joint use of the RI Emblem with the emblem or logo of another organization. The use of such name, emblem, badge or other insignia in combination with any other name or emblem is not recognized by RI.
